

REPORT ON WORLD ENVIRONMENT DAY 2026

Dated: 05th June,2026

Reported by NSS Member, The ICFAI University Meghalaya, Tura

Like every year, the students and NSS members of ICFAI University Meghalaya, Tura organized a program on the occasion of World Environment Day on 5 June 2026 to raise awareness about environmental protection and sustainable living. On this occasion, the ICFAI University Meghalaya, Tura Campus conducted a tree-planting activity to encourage students and staff to care for the environment.

The program began with a speech by the Director, who highlighted the importance of conserving natural resources and reducing pollution. The Students of The ICFAI University Meghalaya, Tura along with the Director, faculty members, staff, and students from the North Eastern Hill University (NEHU), actively participated in the tree-plantation drive. During the event, saplings were planted around the campus to promote greenery and environmental sustainability.

An awareness campaign was also conducted using banners and slogans that emphasized the importance of protecting our planet and adopting eco-friendly practices. The program served as a meaningful reminder of our collective responsibility to preserve the environment for future generations.
