

A Vibrant Showcase of Culture at ICFAI Tura's "Unity in Diversity" Programme

On 22nd April 2025, the ICFAI University Meghalaya, Tura, hosted a vibrant Cultural Programme at the Tura District Auditorium, under the theme “Unity in Diversity.” The event was a wonderful showcase of the diverse cultural backgrounds within our student community, featuring exciting performances, an inter-institutional cultural dance competition, and a delightful ethnic food stall.

The programme was graced by the presence of Dr. Meril M. Sangma, Administrator, Mason Phillips Academy, as the Chief Guest, whose encouraging words inspired everyone to embrace creativity and celebrate our differences.

The event was thoughtfully coordinated by Smt. Chompaboti Hajong, Assistant Professor & Academic Coordinator, Department of Management Studies, and Smt. Stacy D. Sangma, Assistant Professor, Department of Education.

Inspired by this successful event, the University is committed in organizing more cultural events that promotes inclusivity and creativity, offering students more opportunities to connect, learn, and celebrate diversity.
